**Attachments:** removed.txt

Hi Andrew,

Thank you for the Middlebury draft agenda. I'm planning to come to Middlebury on Tues., July 14 and to Burlington on Thurs., July 23. I have a 2-hour drive to Middlebury, so I will plan to arrive at 9:15 – 9:30 AM. I'm interested in participating in some of the field activities, if you & the Town have flexibility in the agenda and scheduling staff. Also, we're having a very rainy summer in Vermont, so one suggestion is to plan the field activities with Superintendent Bob Wells around the weather forecast for next week.

Please let me know the location to meet in Middlebury on Tues. morning, July 14. Please also send us the meeting times, places, & draft agenda for Burlington when you have this information.

Best regards,

Liz

Liz – Are you coming to Middlebury? It would be great to have you there – you might learn more about doing these inspections from George in Burlington, but coming to Middlebury would keep you in the loop on what I see there, which would be good for both of us.

I just sent them a draft agenda, attached. If you're coming, I'll let you know when/where and let them know, too.

Andrew
